## **MayTech Global Investments Named to PSN Top Guns List of Best Performing Strategies for Q2 2024**

*Quarterly PSN Top Guns List published by Zephyr identifies best-in-class separate accounts, managed accounts, and managed ETF strategies.*

**New York, NY—September 03, 2024—** MayTech Global Investments announced today it has been named to the celebrated [PSN Top Guns List](#) of best performing separate accounts, managed accounts, and managed ETF strategies for Q2 2024. The highly anticipated list, published by Zephyr, remains one of the most important references for investors and asset managers.

“Successful investment strategies are the result of enormous effort, research and hard work,” says PSN Product Manager Nick Williams. “PSN Top Guns shines a light on the very best. The teams and managers behind each product showcase why SMAs continue to grow in today’s economic climate.”

Through a combination PSN’s proprietary performance screens, the [PSN Top Guns](#) awards products in six proprietary categories in over 75 universes based on continued performance over time.

MayTech Global Growth strategy earned a PSN Top Guns one and two star awards, meaning our Global Growth Equity had one of the top ten returns for the quarter in their respective strategy (Global Equity Universe) and had one of the top ten returns for the one-year period in their respective strategy (Global Equity Universe).

Past performance is no assurance of future results. An investment in the strategy is speculative and is not suitable for all investors, nor does it represent a complete investment program. Investors should be comfortable with the substantial risks associated with investing in the strategy. There can be no assurance that any investment strategy, and more specifically one confined to the strategy described above will be successful. And investment in the strategy may involve significant risks including loss of principal.
