

MayTech Global Investments Named to PSN Top Guns List of Best Performing Strategies for Q4 2024

Quarterly PSN Top Guns List published by Zephyr identifies best-in-class separate accounts, managed accounts, and managed ETF strategies.

New York, NY 2025— MayTech Global Investments announced today it has been named to the celebrated [PSN Top Guns List](#) of best performing separate accounts, managed accounts, and managed ETF strategies for Q4 2024. The highly anticipated list, published by Zephyr, remains one of the most important references for investors and asset managers.

"The final quarter of 2024 was defined by both volatility and resilience, success in these markets required relentless effort, rigorous research, and disciplined execution," says PSN Product Manager Nick Williams. "PSN Top Guns recognizes the top managers and teams whose expertise continues to drive the growth of SMAs amid today's complex and rapidly evolving market conditions."

Through a combination PSN's proprietary performance screens, the [PSN Top Guns](#) awards products in six proprietary categories in over 75 universes based on continued performance over time.

MayTech Global Investments earned a PSN Top Guns two-star award, meaning our Global Growth Equity Strategy had one of the top ten returns for the one-year period in the Global Equity Universe.

Past performance is no assurance of future results. An investment in the strategy is speculative and is not suitable for all investors, nor does it represent a complete investment program. Investors should be comfortable with the substantial risks associated with investing in the strategy. There can be no assurance that any investment strategy, and more specifically one confined to the strategy described above will be successful. And investment in the strategy may involve significant risks including loss of principal.
